Welcome Back

- On-site worship with two services - 9:00 AM on the Patio and 10:30 AM inside the Sanctuary.

- The LIVE stream of service will be at 10:30 AM via this website or YouTube.

- Mask and physical distancing are optional.

- Those who are not vaccinated are encouraged to wear a mask and continue physical distancing.

- Plastic shields will no longer be used for speakers/singers. All our speakers and singers are fully vaccinated.

- Congregational singing will not be allowed at this time.

- Congregational spoken affirmation will be encouraged.

- In Kids' Village, which includes children (infant through 6th grade) who are unvaccinated, masks and physical distancing is required.

- It will be a family decision if you would like for your unvaccinated children to join you at our services where most do not wear a mask. We do not verify vaccinations and cannot guarantee that all that do not wear a mask have received such.

- Offering will be taken via baskets at the entrance/exit of the patio/sanctuary. Communion elements, on Communion Sundays, will be distributed individually as you arrive.

- Out of an abundance of caution and love for our congregation, chairs/pews will be sanitized at the conclusion of each service and hospital-grade air filtration of our buildings will continue.

- If you are feeling ill, we encourage you to enjoy the services from the comfort of your home.
